

THE RISE OF DIGITAL TECHNOLOGIES AND DIGITAL ECONOMY

ADB DIGITAL DEVELOPMENT
FORUM 2018

LITO TAYAG

COUNTRY MANAGING DIRECTOR

Technology is now firmly embedded throughout our everyday activities, But its reach is larger than that: it's **reshaping pieces of our society.**

Companies and organizations are able to **integrate themselves in society and how they work and live – making them more indispensable.**

The **Accenture Technology Vision 2018** predicts the rapid technology advancements that will improve how people work and live.

INTELLIGENT ENTERPRISE UNLEASHED

Trend 1

CITIZEN AI

Raising AI to Benefit Business and Society
